

CHAA CREEK EXPEDITION

3 NIGHTS BELIZE

New 2022
Activities

One of Belize's first eco-resorts, *Chaa Creek* offers a jungle experience within a 400-acre private nature preserve paired with the casual luxury of gardens and villas. Relax in the eco-friendly infinity pool or in your rainforest cottage featuring private verandas designed to integrate the beauty of the jungle. Explore the onsite rainforest reserve, natural history center, butterfly exhibit, morning bird walk, Maya medicinal plant trail, and more.

Chaa Creek is located in the "heartland of the Maya" along the banks of the Macal River - prime for canoeing, horseback riding, nature walks, and access to Mayan temples and cave excursions. *Chaa Creek's* "wildly civilized" setting and commitment to sustainable practices celebrate the beauty of Belize.

Day 1 Belize City, Belize

From the Belize International airport or the *Safari Voyager*, take in the changing scenery - with a possible stop at a Belize wildlife sanctuary - on your 2.5 hour transfer to western Belize. Settle in and rest up for the days ahead at activity-rich *Chaa Creek*. (D)

Days 2-3 Chaa Creek

(Depending on your choice there may be additional government entrance fees and taxes paid directly on location). Tour feature activities from visits to Mayan ruins and nature reserves to ziplining and cave tubing. (BLD)
